

I create an on-site team

On D-Day, I go to La Coque on the weekend of March 23 and 24 2024 to take part in my team's relay and support patients and their loved ones.

Each participant in my team takes turns one after the other (one team member on the track at a time), walking or running, for 24 hours.

A team is made up of 24 to 48 members.

To take part in Relay for Life in person at La Coque, nothing could be simpler!

Create a team:

The captain registers his team by paying the registration fee

Pay the registration fee of 15 € per participant

The captain registers team members and pays the registration fee of €15 per person

Or

The captain invites team members to join his team, and each participant pays his own individual registration fee.

The team is made up of 24 to 48 members.
